### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The reasons for allowable subject matter were stated in the Office Action of 3/16/04. With regards to the Applicant's amendment of 10/4/06 to overcome the rejection of claims 40-57 and ~~61-64~~<sup>all</sup> under 35 USC § 101, Applicant's argument that "recording the image" is useful, tangible, and concrete is persuasive. The argument is persuasive in view of the specification that "recording" is performed on a reticle blank which is tangible and concrete.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
